Wednesday 29th January 2025

Dear Choir Leaders,

Sutton Sings Festival 2025: KS2 'Song Journey'

Many thanks for attending our CPD session last night. I hope you found it useful and that you and your KS2 choirs are excited about taking part in our *Sutton Sings Festival*!

Theme

Our over-arching theme for the festival is 'Song Journey'. For KS2, this will include songs covering an emotional journey, personal growth and development.

Resources

Using the link below, you will be able to access a Sharepoint folder which contains all of the resources for the project. Please feel free to photocopy the lyric sheet for your choir to take home and practice the songs. I have also included the PowerPoint from the CPD session last night, as well as some more detailed notes to help you teach the massed songs to your singers. **Please make sure that you read through these notes, especially if you were unable to attend the CPD session!** I do hope that you find these resources useful – please let me know if you have any trouble accessing the folder.

[KS2 Sutton Sings Festival 2025 Resources](#)

In addition to this, you will receive an e-mail from Sing Up with a log in to access the full resources for 'Nanuma' and 'I'm still singing'. You will have access to Sing Up for 12 weeks; please ensure you download all of the resources in good time.

Satellite Vocal workshops

As explained at the CPD session, all choirs will have the opportunity to attend a 1.5 hour satellite vocal workshop, hosted at a local primary school at the end of April/May. I have grouped the participating schools geographically and contacted

the host schools to make arrangements. As soon as this process is complete, I will be in touch to confirm the date, time and location of your workshop. Whilst I appreciate this will involve some logistics and travel to another school, I hope that you will agree that bringing the children together to sing before the concert will be hugely beneficial and result in a much more confident performance on the day!

The aim of the vocal workshop is to bring the choirs together and work on the massed choir songs in detail. There will not be time to be teaching the songs during this session so please make sure that your choir come prepared, ready to refine the songs, experiment with the harmony parts and have fun!

Song choices

We would like your choir to prepare two individual items (max. 5 minutes in total), related to our theme 'Song Journey', to perform in the concert. In order to avoid repetition of pieces within the same concert, please email me your song choices and sheet music/backing tracks by **Monday 24th March**. There will be a house band (piano, drums, bass) available to accompany your choir on the day, but you are welcome to bring your own accompanist if you would prefer; please let me know. If you are struggling to source the sheet music for a particular song, please do not hesitate to contact me and I will do my best to help.

Concert allocations

Please see your school's allocation below:

Wednesday 11 th June AM Concert	Wednesday 11 th June PM Concert
Cheam Common Juniors	Brookfield Primary Academy
Cheam Park Farm	Devonshire Primary School
Manor Park Primary	Dorchester Primary School
	Stanley Park Juniors

Thursday 12 th June AM Concert	Thursday 12 th June PM Concert
Collingwood School	All Saints Benhilton
Seaton House	Cheam Fields Primary
Shawley Community Primary	Hackbridge Primary School
St. Dunstan's	Robin Hood Junior School

With regards to the schedule for the day, I will be in contact in due course to confirm arrangements. Once again, many thanks for taking part in our *Sutton Sings*

Festival. We look forward to working with you and your choirs on what promises to be a really exciting event!

Best Wishes,

Emily Murphy
